

CHROM-SPEC
ANALYTICS

ONE STOP
LABORATORY
SOLUTIONS

ABOUT US

Chrom-Spec Analytics has embarked its journey as an Analytical and Life Science laboratory solutions provider in the Middle East & African Region. We know ins & outs of the scientific laboratory requirement.

CSA has rich Experience in the Scientific Laboratory field and have the knowledge and product sourcing expertise which enhances its customer's productivity by helping them benefit from the latest technological advancements.

CSA has always been giving the top priority to our customers and provides reliable, fast and personalized service which benefits customer to work with us as it reduces turnaround time and achieve high leverage growth.

Our mission is to provide One-stop, value added and cost-effective solutions to our esteemed clientele catering into different industries such as Food & Beverages, Oil & gas, Academia, Flavors & Fragrances, Government and private testing labs, clinical, R&D Labs, Petrochemical, Cement & Material, and others.

BRANDS WE DEAL WITH

ABDOS

- Centrifuge techniques
- Microbiology
- Electrophoresis
- Equipments
- Cryo techniques
- Cell culture technique
- PCR techniques
- Liquid handling

GLASSCO

- Analytical Lab Benchtop Instrument,
- Lab Essentials
- Water Distillation
- Rubber & Plastic Ware
- Laboratory Essentials
- Liquid Handling
- Laboratory Metalware
- Laboratory Glassware
- Laboratory Quartzware
- Laboratory Plasticware
- Laboratory Rubberware

ALWSCI

- GC and Hplc Autosampler vial
- GC headspace sampler vial
- Syringe filter
- Syringe
- Welded syringe filter
- Membrane filter
- Laboratory safety system
- Disposable Syringe

- Pocket Tester (pH, Conductivity, TDS)

- Portable (pH, Conductivity, TDS, Salinity, Temperature)

- BenchTop (pH, Conductivity, TDS, Salinity, Temperature)

- Multiparameter- (pH, Conductivity, TDS, Salinity, Temperature)

MILWAUKEE

- Turbidity Meter

- Refractometer

- Photometer

- Monitors and Controllers

- Reagents and Standards

POL - EKO

- Fumehood
- Laboratory freezer
- Ultra low freezer
- Cooled Incubator(ST/IL)
- Peltier cooled incubator

- Laboratory incubator
- Drying oven
- CO2 Incubator
- Laboratory sterilizer
- Climatic chamber.

LABCOLD

- Pharmacy refrigeration
- Blood product storage
- Laboratory refrigeration
- Temperature mapping
- Temperature monitoring
- Bioalogical product storage
- Ultralow freezer (-20 °C,-40°C,-80°C)

HUMAN LAB INC

HS-18

- Refrigerator
- Shaker,Stirrer
- Spectroscope,Tester
- Washer&Cleaner
- Water Purifier,Water Still
- Lastest Products

HUMAN LAB

- Autoclave,Sterilizer
- Balance,Bath&Circulator
- Cabinet,Centrifuge,Chamber
- Desiccator
- Evaporator,Extraction
- Freezer,Furnace,FumeHood
- Glove Box
- Heat Mantle,Homogenizer
- Ice Maker,Incubator
- Labware
- Meter,Microscope,Mixer
- Oven
- Pump

CENTURION SCIENTIFIC

(Hospital,Medical &Clinical) centrifuge,

- PRP centrifuge
- Cellwash centrifuge
- (Cytology&Histology) centrifuge
- Laboratory centrifuge
- Oil centrifuge
- (Asphalt&Butumen) Centrifuge
- (Gastronomy&Cocktail) Centrifuge
- (Research&University) Centrifuge
- (Vet &Animal) Centrifuge.

HANON LAB

~ HPLC

~ Automatic Kjeldahl Analyzer

~ Kjeldahl(Distillation & Digestor)

~ Microwave Digestion / Extraction system

~ Automatic Polarimeter

~ Automatic Refractometer

~ Automatic Titrator

~ UV-VIS Spectrophotometer

~ Recirculating Chiller

~ Diaphragm Vacuum Pump

~ Gas Chromatography & Micro GC.

XUTEMP

~ Chillers

~ Shaking incubators

~ Photostability test chambers

~ Climatic test chambers

~ Ovens

~ Incubators/Freezers

~ Shaking baths

~ Clear-view refrigerated

~ Heating baths

~ Heating circulator/Chillers

~ Refrigerated and heating

GC,LC & SPECTROSCOPIC SUPPLIES

~ GC & LC Vials

~ Septa

~ Manual Syringes

~ Ferrule

~ O-Rings

~ Auto sampler syringes

~ Gas management supplies

~ GC & LC Columns

~ Instrument Evaluation, Installation & Calibration standards

~ UV Lamps

~ Vacuum Pumps

~ Preventive Maintenance Kits
